I think it's dead enough at this point...

Due to an outbreak of a mysterious disease,
Yoriko-senpai and I are wandering in a town roaming with the infected.

Yuri Mekuru of the Dead

Maybe there is someone at the police station?
Anyway, I wonder if there are other survivors...
May-be.

I'm sorry...
Be careful. You almost got attacked by that monster.

We are not in a situation to worry about that...
スッ swish
Your collar is inside out.

Sayuri, behind you!!
Eek!

Sign: "After Death Awaits Judgement"
I will.
But if we encounter them here we have less room to move, so be careful.
Fwish
This is a longer way, but there are not as many monsters here.
『You're too unprejudiced.』
It's Maeda-san from my class, but she has been infected...!
Gah
No way...!
That's our school uniform!
Someone's over there!
Sneak
Se-Senpai, what are you...
Your tie is crooked.
Tighten
She's so strict on the outfits of her kouhais, even if they are zombies...

We've arrived at the police station.
『You see that a lot in movies.』
I thought if we came here, we'd be safe... I can't take it anymore.

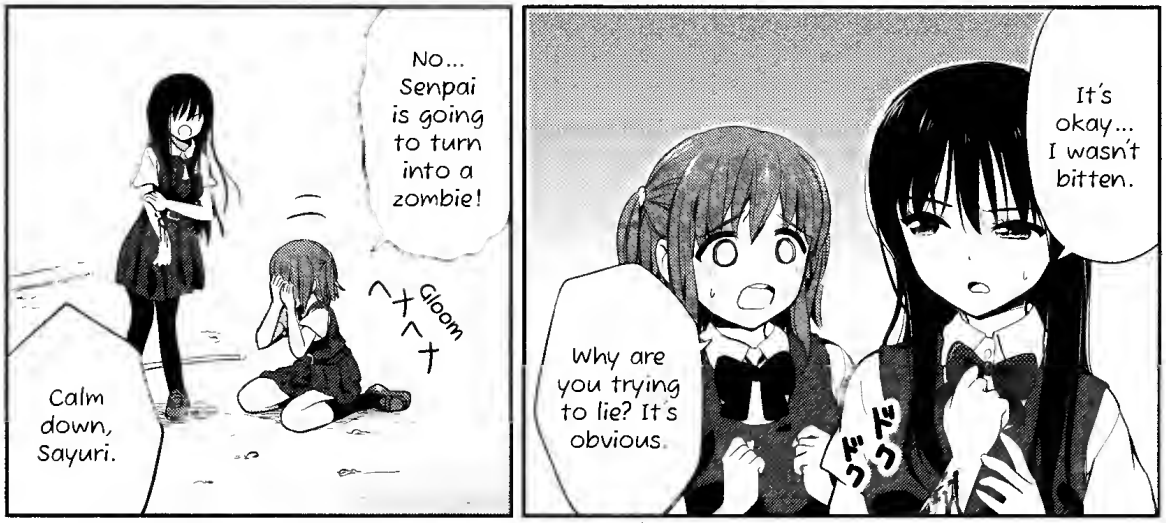
Sayuri ...
It looks to be completely abandoned.
Yes... It doesn't seem to be used as a police station anymore.
Running
Thank goodness, please save us, policewoman!
You will definitely be bitten!
Oh, look! There's a policewoman over there!
Huh?

SFX: Bite



No... Senpai is going to turn into a zombie!
Gloom
Calm down, Sayuri.
It's okay... I wasn't bitten.
Why are you trying to lie? It's obvious.

SFX: Gushing

Uh- It got revived!
むく Standing
It looks difficult to hit that way.
Gah
This zombie police has a gun.
Sayuri, try to distract it.
Uh, yeah...
Slide ズル
Come here.
Sorry for disgracing you, police-woman...
Yeah!
I got it! Let's run away!
That's a strange way to hold it...
Swish スチャ
Now our fighting potential has doubled.
We didn't have any weapons.

But why the gun?

Please don't do it!

Please don't give up...

Until a cure is found, I will take care of you!
After you have become a zombie, I'll make food for you, wash your body, help you with the toilet...

After a few hours, Senpai became a zombie..

あとがき
Afterword

Thank you for your purchase
of Yuri Mekuru Oshigoto.

In this second installment
of the Yuri Mekuru series,
I wanted each situation to be
centered around the question,
"What if Yoriko and Sayuri
performed various jobs?"

As you may know, the series
started in a high school setting, and
I'd like to make a third volume called
"Yuri Mekuru Jogakusei" (School Girls),
so I hope you will support me!
